Tax ID # 92-009-6309

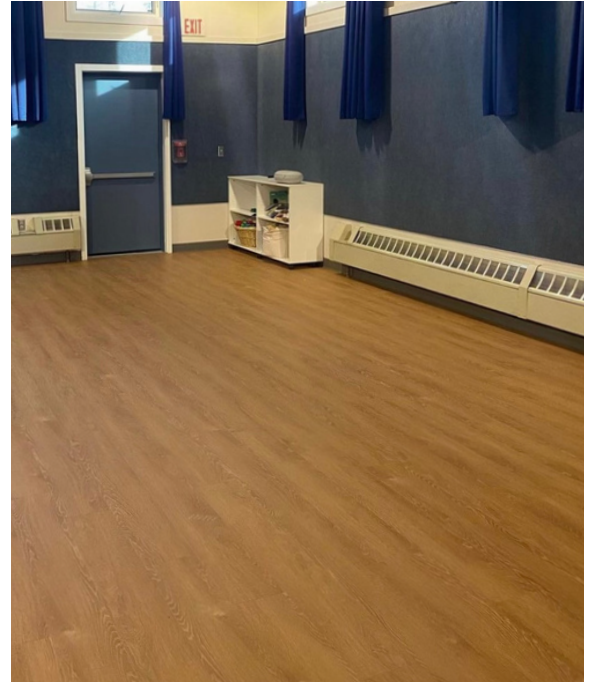

Dear Fairbanks Community Business,

Fairbanks Montessori School invites you to partner with us as we celebrate 59 years of delivering excellence in early education and fundraise for the future at the 2024 Fairbanks Monte-Soirée in April.

If you donated last year, thank you so much for your support. We were able to replace our gym floor, purchase high quality Montessori furniture, and fund a teacher's attendance at a national conference. If you are a new donor, welcome!

We proudly operate as a non-profit, State of Alaska licensed Montessori primary school. For qualifying families, we accept military, state of Alaska, National Park Service, and Tanana Chief's Conference tuition assistance. Our 2023-2024 School Year Corporate Sponsor is Alpine Medical Group, which donated high quality classroom materials and provided no cost student vision screenings to improve learning outcomes.

Please consider donating a cash sponsorship or silent auction item for the Monte-Soirée: a fun-filled evening of community support for Fairbanks Montessori, which includes student art showcased alongside the work of local artists for auction. All donations to Fairbanks Montessori are tax deductible. Please confirm your donation by February 1, 2024.

We are fundraising this year to develop our east playground, refinish our wooden classroom shelves, and support curriculum development and staff training. Your sponsorship will be recognized in the Monte-Soirée event program and to our families at your donation level.

We appreciate all that you do to strengthen our local economy and help Fairbanks thrive. Thank you for considering this request.

Sincerely,

FMS PTO
